October 2012

NEWSLETTER ITEM 10 NOVEMBER 2012

From Pam Walker

### **ENDURANCE 1000**

The Monday 15 October session was well attended with 7 swimmers. Most swimmers are doing their long swims now and at this session 3 x 1hr swims, 1 x ½ hr, a 1500m and a couple of 400m were swum. Eddie came along to do some timing keeping.

It is good to see that the Sunday sessions have gone ahead in spite of my not been there for the past three weeks.

### **Monday sessions:**

12 November

10 December

**Sunday sessions** as usual, although the OWS season is upon us again. Where has the year gone?

Our points score up to 28 October 2012 is **7629**.

### **Fremantle Masters Swimming Carnival**

On Sunday 21 October 9 Melville swimmers enjoyed the sunshine at the Fremantle Masters Swimming Carnival. They were Kate Sorenson, Peter Harvey, Pam Walker, Doug Mclean, Eddie Smith, Teresa Phillips, Caitlyn Plewright, Pam McHugh and Margia Munoz, so there was a good spread of ages from 20 to 74. Thanks to our good swims we came third out of nine clubs. We couldn't compete against the Freo Fins who had 40 swimmers! Doug and I also were part of the officials' team of the day. Eddie very kindly took over the Captain's duties, thanks. It was a great day and the Fremantle club overcame a glitch when Osborne Park turned up without having their entries entered in the Meet Program. Lunch of sausage sizzle, salads and cakes was enjoyed on the grassed area.

### ***Marlin of the Month – For October***

Congrats to Pam McHugh! A first time Marlin winner.

### **Birthdays for November:**

Many happy returns to everyone with birthdays in November!

## Anaconda

A couple of Melville Aussi members competed in the swim leg of the Anaconda event in Augusta last weekend. Kristina Lund competed with her husband Roland and Tracey Guyatt, While Maree filled in for a team called the Sassy Winos (how appropriate!) It was a beautiful swim with barely a ripple on the water, which was amazing given the weather! We had rain, hail, thunder and lightning in no particular order—did I mention it was cold? The run at the end was the big challenge (at least for me) - Only 2.5 km, but for an non-runner, that's a long way! Anyway, we all made it across the finish line and that's the main thing! Might even go back for more next year.

The Gyrobots.

The Sassy Winos.
